Atty. J. Mercer Burrell
23 Howard St.
Newark N.J.

Dear Mercer:

First of all Please pardon my delay in answering your various letters, but I wanted to get some information from Mrs Jacobs before writing you. She was very sick until recently, and I am getting very busy now. The two things mean that until today I do not have that information. Before going into the business at hand, I want to tell you I read about the case in Trenton, and your very great moral victory. I really feel badly about the fact I was not present to hear you plead. I would have really made the trip to Trenton, if I had known about the trial.

Now about the bill, I am sure the balance of \$6.00 of Oct. 1st has been paid. I will have to ask you to wait for Mrs Jacobs to be sure.

Next about the execution of the notes, I feel all things in connection with the transaction of the sale of the ballclub, should have been included in the one blanket charge. However if you disagree with me, I will be glad to discuss it with you.

All the other totals \$9.50. I am forced to ask you to wait until my season starts for this money. You of course know until now the business has not paid. In addition we are not very happy about world conditions at this time. All this means I am asking for 60 days, in which to settle.

There is something else I would like very much to see you and talk about. In my opinion it is really important. If there is a chance you can find about an hour any time this week, give me a ring. I would like to meet you at The Boys Club on Howard St, and show you through. I really feel it is the finest thing that has happened to Newark, in fact any Colored Community for a long time. I will give you my number again in case you have mislaid it. Market3-0555. please give me a ring.

Very Truly Yours
